

Competitive Analysis - Ashburn DC Corridor

Prepared for Patriot Electric | April 2026

Power Design Inc.

Profile: National MEP. Strong on mega-projects >\$50M. Weak on sub-\$5M scopes - slow to respond, high overhead.

Our e

Mona Electric Group

Profile: Regional leader. Strong bench, good pricing, strong Meridian relationship.

Our e

Rosendin Electric

Profile: Tier-1 national. Premium pricing, best-in-class safety record, strong labor pipeline.

Our e

Positioning Recommendation

Patriot Electric should position as the 'responsive sub-\$5M DC specialist.' Emphasize schedule certainty, owner-on-site, and local crew continuity in all Meridian and Compass bid responses.
